Dear Dan,

Thank you for joining us on our journey as we continue to grow our mission and provide life-saving shelter and resources to even more men, women, and children who find themselves without a home. We could not continue our mission of providing *Open Doors, Open Arms to Safety, Dignity, and Wellness* without your support.

The **Center for Families** will address a critical need by creating a dignified and stable environment where families can rebuild their lives. We firmly believe that having a secure place to live is the first step toward enabling families to transition to permanent housing, maintain their jobs, and become thriving members of our communities. The Center will have ten total family units, along with a separate congregate dining room and kitchen, play area, computer/homework room, laundry facilities, and a family gathering area. Life-skill classes focused on healthy living, financial literacy, and renter's rights will give families the tools they need to get off the streets and into a home of their own. The Center for Families will change lives and give families a chance to secure a stable future.

Because of donors like you, our doors and arms are open to all who seek safety, wellness, and dignity. Thank you for your gift of [REDACTED] to support the Bishop Dudley Mission, and for making a difference in the lives of men, women, and children in need.

Eternally Grateful,

Dear Sara,

Thank you for giving the gift of safety, wellness, and dignity to those experiencing homelessness in our Sioux Falls Community. Without your support, we would not be able to provide a warm and secure house for our brothers and sisters to eat, sleep, and work to get back on their feet.

Because of donors like you, we sheltered more than *1,750 individuals* in 2023. These individuals included men, women, and families who came to us when they had nowhere else to turn. At no cost, our guests had the chance to take over *21,000 showers* and complete over *3,800 loads of laundry*. We served a record-breaking number of *37,600 lunches* last year to anyone that walked through our doors. We worked to bring in new agencies and services to our clients and allowed them to access case management, medical clinics, behavioral services, and mentorship.

Thank you for your gift of cleaning supplies, toiletries, food, paper towels and hygiene products to support our mission of recognizing dignity in all who find themselves in our care. Together, we can continue providing *Open Doors, Open Arms* to all.

Dear Rocky,

*"It is almost impossible to remember how tragic a place the world is when one is playing golf."
~Robert Wilson Lynd*

Thank you so much for your generous tax-deductible gift of [REDACTED] for our 17th Annual Bakker Crossing Charity Pro-Am Golf Tournament! We had another fun fundraiser! We are so glad you chose to be a part of it!!!

Families everywhere are struggling, but our CASA kids have endured more trauma and pain than any child should ever have to. With your help, we are ensuring they will not have to experience additional trauma. Our advocates are championing moms and dads to make positive changes for their children, and supporting children while they are waiting in foster homes for a more permanent plan. Our goal as a program is always reunification but moms and dads must be willing to put their kiddos first. Our volunteers are the eyes and ears for the Judge helping to tell a complete story. However, we are currently unable to appoint a volunteer for all the children we are assigned. We *always* have children with their families on our waitlist, which continues to grow as more abused children enter the foster care system. Currently, we are only able to provide advocates for about half the children assigned to the CASA Program.

This is where YOU come in! Every dollar you give truly helps change the life of a child, and the overall wellbeing of this community's future. We thank you for helping our kids believe in heroes! Heroes who make sure they do not have to face scary, life-changing events all alone. We thank you for caring. We thank you for being a part of Sioux Falls CASA!

Dear First Dakota National Bank,

Thank you for your dedication to Volunteers of America, Dakotas in 2024. Your generosity has made a profound difference in the lives of those in need of guidance, support, uplifting, and strengthening.

You helped Veterans experiencing homelessness find a home, gave mothers a new start, guided youth on the path to a successful adulthood, and provided comprehensive support to adults with intellectual and developmental disabilities.

Because of your gift, Volunteers of America, Dakotas was able to continue transforming nearly 10,000 lives this year. We deeply appreciate your commitment to our mission of being called by the Gospel to guide people to live healthy and fulfilling lives.

In appreciation,
