Head Rules Official  
Jared Andersen

### Rules Committee

Official rulings can only be made by a member of the Rules Committee listed above. They will be on the course for assistance should you need a ruling. If a rules official is not immediately available, and there is doubt as to the procedure, a second ball may be played. (See "Doubt as to Procedure" and follow accordingly).

### Net Double Bogey Max – Net Only!

In an attempt to speed up play, amateurs may "pick up" after reaching a score of NET Double Bogey on a hole. This is the maximum NET score a player can have on a hole. If a player is competing for overall gross, you **MUST** finish out the hole, there is not a maximum score for gross only.

### Limitation on Golf Balls — "The One Ball Rule"

Titleist? Bridgestone? Nike? Play whatever ball you like, heck we encourage you to try a number of manufacturers. The One Ball Rule is **NOT** in effect for the amateurs in the Pro Am Jam.

### Pace of Play

- Each player is responsible for playing without undue delay. (Rule 5.6b)
- Under normal conditions, all groups are expected to complete play of 9 holes in 2 hours, 15 minutes, and 18 holes in 4 hours, 30 minutes.
- A group is determined to be out of position if it has a clear hole ahead, and finishes a hole more than 14 minutes after the group in front of them.

If you have a rules question while on the course, play two balls.

### Group Out of Position

- A group that is out of position will automatically be under official warning. A verbal warning is not required for a group to be under official warning.
- If a group is out of position, it is subject to timing under the Pro Am Jam Pace of Play policy. Any player taking an excess of 40 seconds to play a given shot on two occasions except in extraordinary circumstances shall incur a one-stroke penalty for delay of play on the first offense. There will be a two-stroke penalty on the second offense. Subsequent offenses will result in disqualification. (Rule 6-7)
- The final groups (Tournament Leaders) are expected to abide by the same pace of play procedures as the rest of the field.

### Ties

In the event of a tie for the overall Low Gross or Net Champion on Sunday, a sudden death playoff will take place immediately following play.

In the event of a tie for 1st place in the either flight of the Team Competition, or for 1st place within an individual flight, the winner will be determined using the following tiebreakers:

1. Team or individual total score from the final 18-hole round
2. Team or individual total score from the back 9 on the final round
3. Team or individual total score from holes #13-18 in the final round
4. Team or individual total score from holes #16-18 in the final round

All other tying positions for shop certificates will be divided equally.

### **Doubt as to Procedure**

A competitor may play a second ball if the competitor is doubtful of his rights or procedure, and a rules official is not immediately available. Before taking further action, the competitor must announce the ball he wishes score if the rules permit. The player must report the facts to The Committee before returning his score card; if he fails to do so, the penalty is disqualification. (Rule 20.1c)

### **Reporting Results**

Upon completion of play, players should check their hole by hole scores carefully. Both the player and the marker must sign the card and return it to The Committee at the Scoreboard in a prompt manner.

### **Local Rules Sheet**

Local rules sheets will be available each day. Please refer to these for a more extensive look at the local rules for the event.

### **Close of Competition**

The competition shall be deemed to have closed when the trophies have been presented.

### **Discontinuance of Play Signals**

**Potentially dangerous situation:** One prolonged air horn note

**Other types of suspension:** Three consecutive air horn notes, repeated

**Resumption of play:** Two short air horn notes, repeated
